

About Us: The Clemins

We are a family of three, Pat, Yvonne and our daughter Ariana. We have fallen in love with Fremont over the years and decided to make it a forever home. Our family enjoys all of the fun that the Wolf River has to offer from boating, fishing and the local attractions. We also own and manage Clemins Cottages, that operates out of Hatfield, WI. We are looking forward to providing the recreations that Fremont has to offer for our guests.
